

## How to add FedVRI to your FedVRS Account Contact List

- 1) Log into your FedVRS account on the device (iPad/PC/Mac/Mobile device)
- 2) Once you've logged in, select "Contacts"

- 3) FedVRI may not be listed. If you do not see your Contact List like the image below, proceed to step #4.

- 4) Select the + button on the top right corner of the Contact List

- 5) For the Name, enter FedVRI in the first text box. Enter 8776897775 in the second text box, like the example below.

A screenshot of the contact creation form. It has a person icon on the left. The first text box contains 'FedVRI'. The second text box contains '8776897775'. There are 'Save' and 'X' buttons on the right. At the bottom, there is a checkbox labeled 'Use Spanish VRS'.

- 6) Press the Save button.
